## ENVIRONMENTAL POLICY

## Forge Chemicals (PTY) Ltd— Environmental Policy

At Forge Chemicals, we recognize that protecting the environment is fundamental to the long-term success of our business, our communities, and our planet. As a global distributor of chemical products, we are committed to minimizing our environmental footprint and conducting our operations in a sustainable, responsible, and legally compliant manner.

### I. Our Commitment

We are dedicated to:

- **Sustainable Practices:** Integrating environmental considerations into all aspects of our operations, including sourcing, packaging, storage, transportation, and distribution.
- **Pollution Prevention:** Reducing emissions, waste generation, and environmental risks through efficient processes and technologies.
- **Compliance:** Meeting or exceeding all applicable environmental laws, regulations, and industry standards in every region where we operate.
- **Continuous Improvement:** Setting measurable environmental goals and regularly reviewing our performance to drive ongoing improvement.
- **Responsible Chemical Management:** Ensuring safe handling, storage, and distribution of all chemical products to prevent environmental harm.
- **Training and Awareness:** Educating our employees, partners, and contractors on environmental best practices and fostering a culture of environmental responsibility.
- **Sustainable Partnerships:** Collaborating with suppliers and stakeholders who share our commitment to environmental stewardship and responsible sourcing.

### 2. Scope

This policy applies to all Forge Chemicals operations, facilities, employees, and contractors globally. It is the responsibility of everyone in our organization to uphold these principles and contribute to our environmental goals.

### 3. Governance and Oversight

Environmental performance is overseen by our senior leadership team and integrated into our corporate risk management strategy. We are transparent in our environmental reporting and seek to align with international sustainability frameworks wherever applicable.

By implementing this policy, Forge Chemicals affirms its role as a responsible leader in the chemical distribution sector, committed to safeguarding the environment for current and future generations.
